1. Chapter 1

Author's note: Hello. This is my first story. I'm a fan of amourshipping so I thought I might as well write a story of it. Enjoy

Chapter 1:The past

3 years. It's been three years since that awful day. The day I lost everything. Flashback: _Charizard is unable to battle. Greninja is the winner. The victory goes to Ash from pallet time. After a long and hard fought battle, Ash was able to beat his opponent Alain. "I won. I finally won the Kalos Pokemon league" Ash thought. His thought are interrupted by a tackle from his friends. "You did it. You finally won. I knew you could do it" Said a honey blonde girl. "Thanks Serena" said Ash. "Don't forget us" Ash turns around and gets a hug from two blondes. " Clemont. Bonnie. Serena. Thank you. You supported me for so long. I am very grateful" Said Ash tearfully. "Why wouldn't we" Serena said. "We are family" Bonnie added. "Bonnie's right. We are family and family sticks together" Clemont said. After the ceremony, Ash and his friends went out to celebrate with Ash calling in some on his old friends. May, Dawn, Brock, Iris, Cilan all showed up along with Ash's Mom and Serena's mom(Misty and Tracey couldn't show up because of troubles with their schedule). The party was going great until an an unexpected person showed up. "Excuse me. May I talk to Ash Ketchum?" The stranger said. "Uh sure. Be right back guys" Ash replied. Going into the back. Ash talked with

the stranger. "Who are you?" Ash asked. "Oh where are my manners. My name is Lysandre" He said. "Uh nice to meet you" Ash replied. " let's get into business. You beat my student Alain and I'm not pleased. He promised to win and let me challenge the elite 4. So i'm warning you, give up your right to face the elite four or else. "WHAT. NO. I WON FAIR AND SQUARE. I WON THE LEAGUE. I GET TO CHALLENGE THE ELITE 4. WHO ARE YOU TO THREATEN ME" Shouted Ash. "I am Lysandre. Leader of team flare" said Lysandre. "What but team flare was defeated a while ago" said Ash "Yes but their leader was never found and since you dare to disobey me, you shall face the consequences" Lysandre says before walking away. Ash walks back to the party but when he gets there, he sees some strange men there talking to the guests. "What's going on here" Ash asked. " Mr. Ketchum my name is Charles, the head of the Kalos Pokemon league. We are here because we found proof that you cheated during the pokemon league" The man said "What. would never cheat. I won because of my hard work" Ash defended. " Well. Can you explain this' Charles holds up a device "This device increases the attack strength of a pokemon. It is illegal to use in the tournament and it was found in your locker after the tournament". Ash stood there shocked along with all the other guests. "That's not mine. I swear" Ash said but Charles just shook his head. " I sorry to inform you but you have been stripped of your right to challenge the elite 4 and are hereby banned from future Pokemon tournaments" Charles said. "WHAT" Ash shouted and stood there shocked. Charle then leaves and Ash faces his friends. " You guys, I didn't cheat I swear" He said but his friends looked at him and just walked away along with everyone else besides Delia. Ash fell to his knees. "How could this happen. My son would never cheat, Ash what happened" Delia asked. Ash explains his conversation with Lysandre. "WHAT I CAN'T BELIEVE THAT MAN FRAMED MY SON" shouted Delia. "Mom i swear, i will clear my name and get revenge on Lysandre. End of Flashback. I lost everything. My friends left me. After thaT, I went to to train but i didn't go alone. One person stood by me the whole time. With there help, I believe I can clear my name. "Ash can we go, it's freezing up here" said a mysterious person._

So how was the first chapter of my story. Let me know. Give me feedback

2. Chapter 2

Author's note: hi guys. Thanks for the feedback. I'm going to try writing this chapter differently if that's ok

Chapter 2:Love and the tournament

Ash POV

"**Ash, can we go, it's freezing up here" **said the mysterious person

"**Yea Serena. Let's go back to camp"** I replied and we both walked back.

Other than my mom, Serena was the only other person to believe me. When I didn't know what I should do, Serena helped me. She is all I got left. I don't know what i would have done without her.

Flashback: _Normal POV_

Ash sat on the stage, having not left the place where the party was for hours. His mom was getting worried but he told her to go to bed which she reluctantly did.

"_**What do I do? How do I clear my name?"**_ _Ash thought

_

"_**Ash?" **__Ash turned to see who called him. It was Serena.

_

"_**Serena, what are you doing back here? I thought you didn't believe me like the others"**_ _Ash asked_

"_**I may have left, but that was to convince everyone else that you are innocent" **__Serena replied._

"_**Really?"**_ _Ash replied with a shock. _"_"**I thought no one believed me" **_

"_**No true. I believed you. I tried to convince them, but they didn't believe me so I came back here to talk to you" **__Serena replied and started walking over to Ash. _

"_**I'm sorry Serena, but how do I believe you? Everyone left. Why should think that your trust me?"**_ _Ash asked worriedly thinking he hurt Serena. _

But to Ash's surprise, Serena smiled.

"_**Oh Ash, you are so dense. Do you know why I started traveling with you? Why I stood by you every moment of your journey through Kalos? Why I'm here now?"**_ _Serena asked_

"_**No. Why?" **__Ash asked his childhood friend. _

_Serena looks at Ash and sighs _

"_**It's becauseâ€¦. because â€¦...because I love you"**_ _Serena confessed_

"_**Wh.. what. What do you mean you love me"**_ _Ash asked

_

"_**What I mean is my heart belongs to you. I live because of you. When you first rescued me in the forest, I developed a crush on you. When i reunited with you, I still had that crush. But throughout our journey, I slowly fell in love with you. You helped me discover my dream to become Kalos Queen and even though i lost the Master Showcase, you stood by me and reminded me to not give up till it's over. I love you Ash Ketchum"*_ _Serena said tearfully_

"_**Serena, I don't know what to say"*_ _Ash said still standing there shocked at what Serena said_

"_**I know you don't feel the same for as I feel for you, but i want you to know that I love you and will stand by you no matter what happens" **__Said Serena_

Ash, getting over the shock walks up to Serena and gives her a hug, surprising her.

"_**Thank you Serena for trusting me. And you are right I don't feel the same about youâ€¦|...at least not yet" **__Said Ash_

The last sentence surprised Serena big time

"_**What?"**_ _Serena, now the one in shock, asked_

Ash, releasing Serena from the hug, looks at Serena with a smile

"_**Just give it some time and I'm sure I will fall in love with you" **__Ash said _

Ash starts to walk Serena still stood there in shock.

"_**Well are you coming or not" **__Ash asked_

_Serena asks _"_"**Of course I am coming, but where are we going"**_

"_**Mt. Silver. It's between Kanto and Johto. There, we will train until we are ready to face Lysandre" **__Ash said with fire in his eyes_

But Serena looked at Ash confusingly

"_Whose Lysandre?" Asked Serena._

Ash facepalms.

"_**Right i completely forgot to tell you" **__Said Ash embarrassingly_

Ash then explains what happened and Serena becomes very anry

"_**OH MY GOD. WHO DOES HE THINK HE IS? THAT'S IT. ASH WE ARE GOING TO AND TRAINING. WE WILL GET REVENGE ON LYSANDRE" **__Shouted Serena_

"_**Thats right. Okay let's go. I'll leave at note for mom" **__Ash says_

_Ash then takes Serena's hand, making her blush, and they run out of the building after leaving the note. _End of Flashback. Ash POV

Ever since that day, Serena and I have been did everything together We ate together, trained together, laughed together, cried together, and slept together (No dirty minds).

I guess maybe I have started falling in love with her

Normal POV

Ash and Serena are eating dinner when Serena announces something she found on her tablet

"**Hey Ash. Check this out. There is a world tournament happening next month in Kalos"** Said Serena with excitement

Ash stops eating

"**WHAT"** Ash shouts

Ash takes the tablet and reads it. He then has a smirk on his face

"**This is the opportunity we have been waiting for. Three years and we finally get the chance for some payback"** Ash says with fire in his eyes

"**Look" **Serena Pointed "**There is supposed to be thousands of Trainers and the winner gets 1,000,000 pokedollars plus a master ball, the best pokeball out there" **

"**Serena. It is time. Lysandre will be there. If he gets the money and the master ball, he can bring back Team Flare and cause destruction around the world. We got to stop him. Are you ready?"** Ash asks his childhood friend

Serena looks at him with a smile "**I've been ready for 3 years"**

"**Great, Let's get ready. Kalos. Here we come" **Ash says and the both get up to get packed

Better. I hope so.

3. Chapter 3

Author's note: Hi guys. Time for the next chapter. Enjoy. Any more questions, just let me know. I always check.

Chapter 3: Aaron and Lillian

Normal POV

After the announcement of the world tournament, Ash's former friends could not resist but enter it. Dawn, May, Max, Brock, Iris, Cilan, Clemont, and Bonnie all came to enter. (AN:everyone is thirteen expect Cilan and Brock how are eighteen and Bonnie and Max who are nine so they have not started there journey yet)

"**I'm so excited. This tournament is going to be huge" **Dawn said with excitement

"**I know. It's been awhile since we have done something together"** May responded

"**I wish I could enter"** Max complained

"**Me too. I want to start my journey so badly"** Bonnie added

"**You will but in good time. Good things come to those who wait" **Responded Clemont, with a smile.

While everyone is walking, Dawn sudden becomes sad.

Dawn what's the matter? You were so excited a moment ago Iris asked in concern

It's just that I miss Ash. He was a great trainer even if we think he cheated Dawn said very calmly

Listen Dawn. We all miss him. After that incident, neither Serena or Ash have been spotted. I hate to say this but if Ash didn't cheat, he would not have run of. I think it is for the best if he stays away and we forget about him for the time being Brock said

***I agree. I don't want to accept it, but Ash may have cheated, and we need to forget him" **Cilan added

Your right guys. Lets forget about him. We came here to have fun Dawn said

After registering, the team was about to leave when two mysterious people showed up. One was a male, wearing a black jacket with a hood covering their hair, blue mask, white shoes and blue pants. The other was a female, wearing a pink robe also with a hood covering their hair, red mask, and a white skirt. Neither one of them was showing their face

Hello. We are here to register for the World Tournament The mysterious male said to the receptionist

Of course. And may I get your names? The receptionist

***My Name is Aaron" **Said the male

And my name is Lillian Said the female

After typing in something, the receptionists gave the two their passes

Okay you are all set. Your room number is 310 Said the Receptionist

Thank you Said both Aaron and Lillian

Both started walking away, but before leaving, Aaron eyed the gang and then walked away

What was that about. Those two look very shifty Said May

Yea. We better stay away from them Cilan Responded

Everyone agreed and started walking to their rooms

It can't be them. Can it? Dawn thought

Author's Note: I bet you know who those two are. Aaron's name does not need to be explained. However, I like the name Lillian so I named her that. Hope you all enjoyed this chapter.

4. Chapter 4

Author's note: Hello. Sorry the last chapter was so short. I was busy yesterday. Anyways, I am not really in a good mode, but I will still try to update daily. Also, I'm going to stop making my words bold so much. Well enjoy.

Chapter 4: Round 1

Normal POV:

After registering, Aaron and Lillian went searching for their room on the third floor

"Serena, couldn't you find us better disguises. I look ridiculous"
The male trainer complained

"First of all Ash, don't call me Serena when we are around people. Second, you look fine, No one can tell who we are. All we look like to the people are just some mysterious trainers" Serena responded

"Whatever. Oh here is our room" Ash says

Ash unlocks the door and he and Serena are in shock. Their room was beautiful. It had a balcony, beautiful bathroom, a nice changing room. It seemed first class to them since they both have lived in a mountain for the past 3 years. But there was one problem.

"They gave us a room with one bed" Serena said to Ash

"Well, I could just sleep on the floor and you can sleep on the bed"
Ash responded

"Wellâ€¦.Uh. Why don't we just sleep on the bed together? It seems big enough for both of us" Serena said very nervously

Both Ash and Serena were blushing hardcoe. After standing there for a little bit, Ash breaks the silence.

"If it's okay for you, then it's okay for me" Ash said. Serena responded with a nod

Both trainers took of their masks and started setting up their stuff. After about 15 minutes, they were all set.

"Okay we are done. Lets see when does the opening ceremony start?"
Ash says

Serena picks up a schedule and looks at the time.

"Says here it starts at 8. It's 6 right now. We got 2 hours to kill. So what do you want to do" Serena asks her childhood friend

"Well. I believe we should review our strategies for each of our Pokemon" Ash responds and Serena nods

"Hey Pikachu, Come here" Ash calls to the other room.

In response, Ash's most loyal pokemon appears and jumps on his lap. To keep his former friends from finding out his identity, Ash hid Pikachu in his bag.

"Okay Pikachu. I know you must be tired from being in my bag all day, but we need to review our strategies for this tournament" Ash tells his partner. Pikachu smiles and nods

"Great. Okay Serena, Let's begin" Ash says and the two trainers start reviewing.

At 7:30, the two thought it was time to stop and head to the opening ceremony. They put on their masks and their disguises and started heading out until Serena stops Ash

"Hey Ash. Before we go. I need to ask you something" Serena says

"Yea sure, What do you need to ask me?" Ash asked his friend

"Well, if we were to face each other in this tournament, how would you feel?" Serena asks. Ash then smiles

"I would feel honored to face my best friend. If that happens, don't show me weakness. The stronger one of us has to continue on until they face Lysandre and beat him." Ash responds

"Okay Ash. If we battle, I will show you no mercy. I will face you at full strength" Serena says with fire in her eyes

"Couldn't expect more from you. Let's get going before we are late" Ash says and both of them run off to the opening ceremony

(Sorry, but i'm just going to skip the opening ceremony)

Serena's POV

After the opening ceremony, we found out who our first round opponents which will be tomorrow. Ash will face Brock while I will face this, we went back to our room and fell asleep. It was nice sleeping next to Ash, but i couldn't sleep. I was worried

"Serena. Are you okay? Why are you not asleep" Ash asks when he noticed I was awake

"Sorry Ash. But I am worried. What if I lose right away. I would be a burden to you. I don't know if I am strong enough for this" I said

Ash gets up and looked at me

"Serena. You are not a burden to me. You are my strength. I would not have gotten as strong as I am without you. You are strong enough. I trust you just as you trusted me" Ash says

I blushes and gives Ash a hug

"Thank you Ash" I said tearfully

"No problem. Now lets get some rest. Tomorrow starts our road to

redemption" Ash said

And with that, we both fell asleep

Normal POV

The next morning, the tournament started off. After a couple of battles, with Dawn, May, Cilan, and Clemont all making it to the next round, Ash's battle started

"Ladies and Gentleman. Let us introduce our next two trainers. On this side, he is the Pewter City Gym leader, give it up for Brock"

The crowd applaud

"And his opponent, the Mysterious Aaron"

The crowd applaud again

Serena stands on the top of the bleachers and watches the match

"This will be a one on one battle. Trainers choose your pokemon"

"Steelix, I choose you" Brock says and you calls his Strongest Pokemon

"Gallade, come on out" Ash says and chooses his Pokemon

"Battle begin"

Steelix, Start this off with a Iron Tail" Brock commands

"Steelix's tail glows silver and aims for Gallade

"Dodge it and use close combat" Ash responds

Gallade dodges the attack easily and hits Steelix with a fierce close combat. Steelix is down on the ground in pain

"Steelix. Get up and use Dragon Breath" Brock says

Steelix starts to get up, but is interrupted by Gallade's trainer

"Finish this up with Leaf Blade" Ash commands

Gallade's arms glow green and hit Steelix for some critical damage, knocking it back to the ground

"STEELIX NO" Brock shouts

"Steelix is unable to battle, Gallade is the winner. The victory goes to Aaron"

Brock signs and returns his Pokemon "Thank you Steelix"

"Wow, I can't believe Brock lst that fast. Aaron is tough" May

says

Her friends nod in response.

"Well. That was quick. Ash really is great trainer" Serena thought

"The next battle is about to begin. Introducing first, we have the dragon tamer, Iris and her opponent the mysterious Lillian"

"I'm not losing to you like Brock did to your partner" Iris says

"We will see about that" Serena responds

"This will be a one on one battle. Trainers choose your Pokemon"

" Go Dragonite" Iris says throwing her Pokemon. Out came a big, yellow, scary Dragon

"Okay this is it. Come on out " Serena says while throwing her Pokeball

â€¦To be Continued

Author's note: well how was this chapter. Who do you think Serena chose as her Pokemon. Please give me feedback and suggestions. Thank you

5. Author's Note

Hello everyone. Sorry but this isn't the next chapter. This is me answering some questions I have gotten. The next chapter won't be until next week. I'm sorry but I'm just not been in a good mood. My life is taking a roller coaster ride with issues. But enough of the negativity. Let's go positive. Here are some questions I have gotten and here are my answers

Why would Ash running away make his friends think he is guilty? Well, to start, Lysandre put evidence on ash that he cheated to win the Pokemon league. Once he was banned from tournaments, his friends turned their backs on him. To them, if Ash was innocent, he would stay and fight for his innocence, not run away. Once he went missing, it put doubt in their minds that Ash really did cheat since we all know ash doesn't run from a fight. Think about it, Ash is a character who goes head on into battle but he ran off to clear his innocence. Of course his friends still deep down know he is innocent but they need to see the proof just as much as everyone else. That's my reason why they think he is guilty. I will show a flashback to what happened with Serena after leaving the party. But not yet

Are you going to have some Ocs characters? I haven't planned that far yet. I have a picture on how it will end but I haven't decided yet so we will see in the future.

Serena's team? I haven't got any questions on it but I'll explain it now. Serena's team isn't really supposed to be for battling since she is a performer. Her Pokemon is for showing off and looking beautiful. So I gave her a team with Pokemon that she can use to perform in the future but can still battle and keep up with Ash' team. In the anime

she has 3 Pokemon so I added three more. They will be shown in the future.

Are you going to do mega evolutions? Of course. I'm a big fan at mega evolutions. I'm a big fan for ash-Greninja form. However ash-greninja won't be shown until way later. If it is shown it will give out ash's identity but ash will have some new mega evolutions.

How often will you update? I was planning to update daily but you guys wanted longer chapter which I agree with so it might be every other day or only twice a week. I will decide in the future. So we will see

Well that's all the answers I got for you guy. Stay tuned for my next update and I'll see u guys later

6. Chapter 5

Hello everyone. I'm back for another update. So enjoy

Chapter 5: Round 1 part 2 and love in the air?

"Okay. This is it. Come on out. Absol" Serena says as she throws her pokeball.

Out came the black and white wolf

"Battle begin"

"Dragonite. Start this off with a thunder punch" Iris commanded

Dragonite's arm started glowing yellow with electricity and started charging at its opponent

"Absol. Jump" Serena responded

Absol jumped into the air. Dodging the attack

"Now use sword dance"

Swords started flowing around Absol, who started glowing with power

"That's weird. She could have attack but she describes to increase its strength" Iris thinks

Meanwhile, Ash stood on to off the bleachers watching his childhood friend fight.

"Great start Serena. Your battling skills have increased greatly. I could be more proud of you" Ash though

"Alright use dragon rush" Iris says

Dragonite then started glowing blue. Again charged at Absol.

"Jump again" Serena commanded

Absol again jumps in the air dodging Dragonite.

"Sword dance again"

Absol once more glowed with power

"Again. She already increased its strength. Why not just attack" Iris thought. She is starting to get frustrated

"Okay use ice beam" Iris says

Dragonite then unleashes a beam of ice directly at Absol.

"Once again. Jump Absol" Serena responds

Absol jumps again to dodge the attack

"Sword dance once more"

For a third time. Absol glowed with power.

"COME ON. ARE YOU GOING TO ATTACK OR NOT. I DON'T HAVE ALL DAY" Iris screams

Serena smirks

"All the pieces are in place. Time for the final performance. Absol. Use night slash" Serena commands

Absol's horn glows purple and quickly charges at Dragonite

"Dragonite counter withâ€|. " Iris starts saying but it's too late.

Absol hit Dragonite with full force. Knocking Dragonite down.

"DRAGONITE GET UP" Iris screamed

Dragonite tries to get up but falls back down

"Dragonite is unable to battle. Absol is the winner. The victory goes to Lillian

Ash's former friends in the bleachers are shocked

"The whole time she toyed with Iris. She increased Absol's strength in order to finish this with one move" Dawn exclaimed

"Yea. Both these masked trainers are very powerful" Brock responds

Ash, after watching the match, was very happy

"I am proud of you Serena. You used Absol's speed to dodge the attacks and while the opponent recovered, you increased your own attack" Ash thought and starts walking back to his room

Ash POV

It's the evening. I sat in our room waiting for Serena. I was happy she won today. But why. Iris may be a tough trainer, but this was just the first round. I guess I am starting to depend on her. Perhaps too much.

"Hey Ash" Serena walks in sees my face "What's the matter. Aren't you happy we both are moving on to the next round"

"I am, but it's just I am starting to think I am asking too much from you. This was just the first round and I got overjoyed like we beat Lysandre. It's not that I'm not proud of you, cause I am. It's just if you end up losing anytime during this tournament, it might affect me too much" I said

Serena looks at me and smiles

"You told me I am your strength. Right?"

"Yea"

"Well, if I lose then that's my fault not yours. If I lose, then use that to your advantage and win this tournament"

I got up and walked towards Serena

"You really love me don't you

Serena blushes "Of course. Ask me that question a million times and it will remain the same. I love you. Always have. Always will. Till the day I die. Even if you don't feel the same"

I smile

"Well maybe I do feel the same or maybe I don't"

Serena looks at me weird "What do you mean. Do you love me or do you not?"

"You will find out at the end of this tournament. Come on, lets go for a walk. It's a beautiful night and we have some time before we find out who we face tomorrow"

Serena smiles "Okay" and we start walking

"Well Serena. I did say give it some time and I am sure I will fall in love with you. You have been waiting 7 years for me. I think you can wait a little longer" I thought

Author's note: Well how was it. Short I know, but this chapter was just suppose to get to the point. Ash is falling in love with Serena. So any suggestions. Let me know. FYI. I am guess Serena was 6 when she met Ash and they are now 13 so 7 years.

7. Competition

Hello everybody. Sorry. Again. Not another chapter. I decided while you guys wait for the next chapter, lets have a little contest. It is about Serena's team. We know she has a Braixen, Pancham, Sylveon, and

Absol, but what are her last two pokemon. That is for you guys to guess. I will give you some hints on the last two and a list of possible pokemon. If you get both of them right, I will PM you and I will use a made up character of the winner's choice in my story. However, if none of you guys get both right, both some get one right, the first one to get it right will be the winner. So lets begin.

Possible
Pokemon

Flareon

Kirlia

Butterfree

Beautifly

vivillon

Milotic

Gogoat

Bayleaf

Jolteon

Pikachu

Hints

Two people in the x y anime, major character, have one

Both are more special attackers

Well, time to guess. Lets see who gets it first. Good luck. Next chapter will announce the winner, which will be posted most likely on Tuesday.

8. Chapter 6

Hello everyone. Time for the next chapter. The winner of my little contest will be announced at the end. If you guys like my contest and want me to do more let me know. If you didn't like let me know. Okay here we go.

Chapter 6

It was evening time. Ash's former were sitting outside. Brock and Iris were sad

"Cheer up guys. You both did" Cilan said

"Cilan is right. You both were amazing" May said

"I lost I two moves" Brock said sadly

"And I lost in just one move" Iris said

"Well. You guys may have lost but you still did good. You guys battled fairly" Clemont said

"That's true. We battled fairly unlike someone we know" Iris said

"True. Now I don't feel so bad" Brock added

Meanwhile, Ash and Dawn were listening to this and Serena was getting mad and about to go over there, but Ash stops her

"Ash. They were referring to you. I can't just stand here and let them insult you" Serena said

"If you go over there, you will make the matter worse. Also it will give us both away. Just relax. We will get them back later" Ash said

"Fine" Serena said reluctantly

With ash's former friends

"Guys. Can we not mention him. Every time we do. I feel sad. He was our friend. Him and Serena" Dawn Said

"Dawn's right. Let's be happy. We are here to have fun" May added

Everyone agreed

"Attention trainers. The matches for round 3 have been described. They will be 3 on 3 battles. You can find out who your opponent is in the main lobby. Good luck to all" Everyone heard

Everyone walked over to see who they were facing. Ash was facing a trainer by the name of Mike while Serena was facing Clemont. As Ash and Serena walked back, they saw three people. It was Lysandre, Alain, and Mairin

"Alain. Who are you facing" Mairin asked her friend

"Alain. I'm facing someone named Jake. Master Lysandre. What about you? Alain asked his master

Ash and Serena's temper were boiling point. There stood the man that tried ruining Ash's life

"I am facing a new trainer by the name of Dan" The lion haired man said

The three of them walk towards the two masked trainers and stop.

"Well hello there. You two must be Aaron and Lillian. I heard you two beat your first round opponents easily. Impressive" Lysandre said

"Yea. What of it. We both are incredibly strong trainers. Of course we would win" Ash said to his enemy

"You seem confident. Well just wait till you face me or my student Alain" Lysandre said

"You are pretty powerful. Do you have an Pokemon that can mega evolve" Alain asked

"That's none of your concern. Now if you'll excuse us. We are going back to our room" Ash answered and he and Serena walked away

"A very aggressive trainer" Mairin said

"True but they are powerful. We should be careful" Lysandre responded

Alain and Mairin nod and the three of them started walking away

In Ash and Serena's room

"This sucks. The man who tried to ruin my life was standing in front of me and I could not do anything to him" Ash said frustratedly. Serena puts her hand on his shoulder

"Calm down Ash. Just like you told me before. We will get at him eventually"

"I know. I know. Come on. Lets go to sleep" And they both go to bed

Serena POV

Next morning, the tournament was in full swing

Ash beat his opponent with a clean sweep with Greninja. As for Ash and my old friends, May, Dawn, and Cilan moved on. Unfortunately, so did Alain and Lysandre (Mairin is not in the tournament). Now, it was time for my match against Clemont. I will defeat him. Time for some payback.

"Ladies and gentlemen. Introducing first. The lumiose city gym leader, Clemont. And his opponent. The mysterious Lillian

"Well you may be powerful but I'm a gym leader so don't think I am weak" Clemont said

"Okay than. Lets see how strong you are" I answered

"Trainers. This is a three on three battle. Choose your pokemon.

Clemont throws a pokeball"Come out Bunnelby

Out popped the grey bunny

I picks my pokemon "Sylveon. Take the stage"

Out popped the pink eevee evolution

"Battle begin"

"Bunnelby use mud shot" Bunnelby shoots mud at Sylveon

"Counter with moonblast" Sylveon shoots a pink ball and the two moves collide causing an explosion

"They both are equal in power" Clemont claimed

I smirked "Not quite" and the moonblast comes out of the smoke and hits Bunnelby

"WHAT" Clemont screamed

"Maybe next time, you should try hitting a direct attack" I taunted

Clemont gets frustrated "Bunnelby. Get up and use wild charge"

Bunnelby gets up and starts charging with electricity flowing through him

"Now i got you. Sylveon, catch it with your ribbons"

Sylveon extends its ribbons and stops Bunnelby just before it collides

"Now close range Moonblast" Sylveon starts charging up

"BUNNELBY GET OUT OF THERE" But it was too late

Sylveon hit Bunnelby for critical damage

"BUNNELBY. GET UP" Bunnelby tries getting up, but can't

"Bunnelby is unable to battle. Sylveon is the winner"

Clemont returns Bunnelby and chooses his next Pokemon "Luxray. I choose you"

Out came the electric lion

I returned Sylveon "Kirlia. Time to shine"

Out came my new Psychic type

"Luxray. Use Swift" Luxray shoots stars at Kirlia

"Use protect" A force field appears protecting Kirlia

"Now use Hypnosis" Kirlia shoots several psychic waves at Luxray. Putting it to sleep.

"LUXRAY. WAKE UP" But Luxray wouldn't get up

"Now use Psybeam" Kirlia shoots a Psychic beam at Luxray causing critical damage

"COME ON LUXRAY. WAKE UP" Again. Luxray wouldn't get up

"Lets finish this. Kirlia use Psychic and throw Luxray at the wall" Kirlia does just that. Causing Luxray to faint

"Luxray is unable to battle. Kirlia is the winner"

"2 wins in a row. Some Gym leader. Lets hope your last pokemon will be a challenge" I taunted Clemont again which made him mad

In the bleachers

"Wow. Clemont has not even got one attack in. This trainer just keeps surprising us. Yesterday she rose her pokemon's attack. Today she does direct attacks and puts Clemont's pokemon to sleep" Max exclaimed

"COME ON BIG BROTHER. YOU CAN DO THIS" Bonnie screamed

At the battle field

"This is boring. Clemont i thought would be a challenge. He gave Ash a tough time. Oh well" I though

"Okay. Chespin come out" Out popped Clemont's grass type

I Returned Kirlia "Kirlia. Thank you. You really are getting stronger like your big brother Gallade" and I chose my last Pokemon "Vivillon. Time to battle" Out came my bug type

"Chespin. Use poison gas" Chespin shoots out a poisonous wave at Vivillon

"Gust" Vivillon blows the gas away

"Hurricane" Vivillon shoots a big amount of wind at Chespin; blowing it into the air

"Aerial Ace" Vivillon hits Chespin with full force; knocking it back to the ground

"Come on Chespin. Use Pin Missile" Chespin starts charging up

"Bug Buzz" Vivillon makes annoying bug sounds, breaking Chespin's concentration

"Now. Time for the the final Performance. Vivillon. Use gut full power" Villon uses a powerful gust, knocking Chespin into the wall

"Chespin is unable to battle, Vivillon is the winner. The victory goes to Lillian"

Clemont picks up Chespin "Thank you Chespin. You did go" and returns him to his pokeball

I return Villon to her pokeball as well and walk away

Normal POV

Ash and Serena meetup. "Hey Serena. Good match" Serena smiles

"Thank you Ash. Same to you"

"So. Why don't we celebrate and go get something to eat" Ash asks nervously

"Ash Ketchum. Are you asking me on a date?" Serena teases

"Maybe" Ash laughs nervously

"Well. Okay let's go than" They start walking but are stopped by a trainer

The trainer had red eyes, black hair, and was heavily tattooed. He looked very mysterious. More than Ash and Serena did

"Yes can we help you" Ash asked politely

"Hello Ash and Serena. Didn't think you two would take the risk and enter this tournament" The man said

Ash and Serena are shocked

"Who are you and how do you know who we are" Both asked

The man smirks

Chapter 7: New Trainer and Round 3

"Who are you and how do you know who we are" Both asked

The man smirks "My name is Cyrus Vermillion. I know who you are because I know you are innocent. You are a trainer who cares about pokemon but would never cheat, but I did not care enough to help. All I care about is to becoming the best trainer"

Serena becomes angry and screams "YOU KNEW ASH WAS INNOCENT AND DESPITE THIS YOU DO NOTHING ABOUT IT. YOU DON'T KNOW WHAT WE HAVE BEEN THROUGH THE PAST THREE YEARS'

Ash puts his hand on her shoulder to calm her down "It's okay Serena.

I do not blame you for not helping me. If my own friends would not help me. Why would you" They start walking away but are stopped

"I could let the league know you are here" Cyrus says

"If you do, Lysandre will resurrect Team Flare. Chaos will happen" Ash claims

Cyrus smirks again " And I care why. I am not a good guy or a bad guy. I just do whatever I want. But this is a warning. Stay out of my way or I will reveal who you are Mr. Ketchum" and he walks away

"Who does he think he is threatening us. I should go and shut his mouth for good" Serena says

Ash looks at his childhood friend "Calm down. We have enough to deal with. Just ignore him. We will deal with him later"

Serena crosses her arms "Ash why do you have to be so nice to people who cause you trouble"

"Because that is how I was raised"

Serena smiles "And this is one of many reasons why I love you"

Ash blushes "Whatever. Lets go get something to eat. I'm hungry"

Serena laughs "You're always hungry" and they go out to eat

Ash POV

After dinner, me and Serena went to go check who we are facing in the next round. I was facing Cilan while Serena was facing a girl named next morning, Serena swept through her opponent with just Sylveon. May and Dawn made it to the next round along with Cyrus, Lysandre, and Alain. Now it was my turn. Time to shine.

"Ladies and Gentlemen. Let me introduce our two trainers. First up, he is an A-class Pok  mon Connoisseur. Cilan. And his opponent, they mysterious Aaron.

Me and Cilan stare at each other

"Trainers, choose your pokemon"

"Stunfisk. Lets go" Out popped the ground electric fish"

"Metagross. I choose you" Out popped the defensive Steel type but it had something around it's neck. It was a Mega Stone.

In the bleachers

"So Aaron has a pokemon who can mega evolve. Cilan better be careful" Iris exclaimed

"Alright. Battle Begin"

"Stunfisk use mud bomb" Stunfisk shoots mud at Metagross, hitting it but doesn't do much

"Hey. Why didn't it move?"

I smirk and reveals my Key Stone "To show you how defensive Metagross is, Time for some more power. I activate my Keystone "Respond to my cries. Show your true power. MEGA EVOLVE" Metagross begins to glow and mega evolves into mega Metagross. Cilan is amazed

"Incredible. Stunfisk. Don't let your guard down. Use Thunderbolt" Stunfisk shoots electricity at Metagross

"Dodge and Use Meteor Mash" Metagross moves quickly and hits Stunfisk with a diamond fish causing severe damage and knocking it to the ground.

"Stunfisk. It's not over yet. Use Scald. Stunfisk shoots hot water at Metagross"

"Hyper Beam" Metagross fires its laser at Stunfisk, breaking its Scald and hitting Stunfisk directly, knocking it out.

"Stunfisk is unable to battle. Metagross is the winner" Cilan returns his pokemon and chooses his next pokemon.

"Crustle. Come on Out" Out popped the dual-type Bug/Rock crab Pokémon.

I returned Metagross and picks my next Pokemon "Garchomp. I choose you" Out popped the land shark dragon Pokemon

In the Bleachers

"Wise choice Ash. Metagross needed to recharge after hyper beam. Let's hope you didn't waste you keystone of him" Serena thought

"I know Crustle has the ability sturdy. After it's activated, Cilan will use Shell Shock followed by X-Scissor or Rock Wrecker. But, what Cilan doesn't know is I know his strategy. Lets take advantage of this" I thought

"Crustle use X-Scissor" Crustle launches itself at Garchomp with an x formed from it's arms"

"Use Dig" Garchomp goes underground, stopping Crustle

"Crustle, watch out. Keep focused. It could come out anytime" Crustle starts looking around

Garchomp appears behind Crustle

"Crustle. Look out" but it was too late

"Brick Break" Garchomp chops Crustle with its fins sending it flying back

"Don't give up. Use Shell Shock." Crustle glows red and losses it's shell

"About time. Now we have a challenge" I thought

"Use Rock Wrecker" A gigantic rock starts forming in front of Crustle and launches it at Garchomp

"Dragon Rush" Garchomp launches itself at the boulder with blue light surrounding it; it hits the boulder causing smoke

"Well. I say Garchomp just took a lot of damage from that attack. Why didn't you dodge" Cilan

Asked

I smirk "This is why" and Garchomp comes out of the smoke and hits Crustle directly

"Garchomp's strength is powerful. Don't underestimate it" I taunt

"Crustle get up. Use X-Scissor" Crustle barely gets up and launches at Garchomp again

"Brick Break" Garchomp again uses brick break, hitting Crustle before x-scissor hits and knocking it out"

"Crustle is unable to battle. Garchomp is the winner" Cilan recalls his Pokemon

"Come on. Give me a challenge. This is boring" I taunt him again while returning Garchomp. Cilan gets mad

"Pansage. Lets go" Out popped the grass monkey

"This is it. Time for your test. Let's go Riolu" Out popped the little fighting type

"Pansage. Use bullet seed" Pansage shots seeds at Riolu

"Use quick attack to dodge" Riolu moves fast to avoid the attack

"Grass whistle" Pansage begins to whistle but

"Riolu use quick attack once more" Riolu hits Pansage before it could finish it's attack

"Pansage. Use dig" Pansage goes underground

"Riolu stay focused. Use your aura to sense Pansage. Then use force palm"

Riolu's ears stand up and it starts sensing the ground. Right before Pansage connects with it's attack Riolu moves and hits it with a yellow fist ending it flying. Cilan is shocked

"Great Job Riolu. Now lets finish this. Use Brick Break" Riolu runs toward Pansage

"Pansage. Get out of the way" but it's too late. Rilu connects with brick breaks and knocks Pansage out

"Pansage is unable to battle, Riolu is the winner. The victory goes

to Aaron"

"Another easy victory. Not surprised" I say as I return Riolu and walk away

"Who is this trainer" I hear the crowd asking

Normal POV

Ash is in his room reading a book while Serena is on the computer

"This tournament is getting boring. Three years of intense training and now no trainer gives us a challenge" Ash sighed

"I know but know one thing. More we progress in this tournament the more challenging it will get" Serena reassured

"True" Ash looks at Serena and thinks "what is wrong with me. Why do I feel this way around her. I know she loves me but do I love her. Maybe"

Ash gets up and puts on his mask

"Where are you going" Serena asked

"Going for a walk. I'll be back in an hour" Ash answered

"Okay. Be careful" Ash nods and leaves the room

Ash walks around, thinking about his childhood friend. He starts remembering the past. How their journey to redemption began.

Flashback

"_Ash. How much longer? I'm getting tired" Serena whined _

"_A little longer. Give it 5 minutes" Ash answered _

_They were both riding in Ash's Charizard to Mt. Silver. Finally they arrived. It was a gloomy cave. _

"_Charizard return. Take a long rest" Ash recalled his Pokemon
_

"_So we are going to be staying here. Ash couldn't you find a better place to stay" Serena whined again_

Ash sighed "I didn't ask you to come. That's was your choice. If you want to leave. Go ahead"

_Serena looks hurt "Sorry Ash. I'm just not quite use to this"
_

Ash smiles "I know and I forgive me. It must be hard for you to leave everything behind because of me"

Serena blushes"Ash. For you I would give up my life"

Ash puts his finger in front of her mouth "Don't ever say that again. I would never ask you to do that. Just remember that"
_

Serena smiles "Okay"
_

"_Okay. From today on we will start our intense training. There is no going back now. Our road to redemption has begun" Ash says with fire in his eyes. Serena also gets excited_
_

The flashback starts showing Ash and Serena's intense training
_

End of Flashback

Ash starts smiling

"Serena stood by my every step of the way. I have to repay her somehow"

He closes his eyes and sees Serena

"I guess I could repay her by giving her my heart, but not quite yet"
Ash smiles and starts walking back to the room

Author's note: Well it's confirmed. Ash is in love with Serena. How will he tell her? I guess we'll find out later. How was the chapter guys. Let me know.
